1. **Financial Contributions:** If one wishes to make a financial contribution, please contact the Office of the Superintendent directly at 804-966-9650.
2. **Material Contributions:** Contributions of materials usable by the schools are also welcome. Based on the material to contribute, one may contact the office of the principal in the school of their choice to offer the material contribution for their use. For example, a contribution of art supplies may be of interest to each of the schools.
3. **Contribution of Time:** An adult may volunteer in the schools for a specific period or for an extended volunteer period. A potential volunteer must complete a volunteer application, indicating area of interest, possible days and times available to volunteer and school in which he/she wishes to volunteer. The applicant must also submit to a criminal background check; confirmation that he/she does not have TB, and a review by Child Protective Services. The completed application may be submitted to New Kent County Schools Human Resources, in care of Ms. Nicole Skelton at nskelton@nkcps.k12.va.us.
